

# CORPORATE SOCIAL RESPONSIBILITY

Türk Prysmian Kablo ve Sistemleri A.Ş. works on multiple themes in corporate social responsibility, and focuses particularly on educational projects.

In 2008, Türk Prysmian supported the “Uluabat Lake Management Plan, Stork Friendly Villages Project”. As part of the project, Türk Prysmian aimed to renovate the electricity system of Eskikaraağaç Village in Karacabey provincial district in collaboration with the village to replace the bare copper conductors with insulated wires and eventually prevent the storks that hit the village’s power lines from injuries.

Türk Prysmian, during the same year, supplied the cable infrastructure and donated the cables for the Turkish Hearing and Speech Rehabilitation Foundation to build a center for deaf children aged 0 - 6 who are not provided with proper education.

In addition to these projects, in 2008, Türk Prysmian published a book titled “Tirilye - from past to present” written and photographed by travel writer Reyhan Tüvi to contribute to the promotion and the cultural heritage of the region where Türk Prysmian’s factory is located.

Türk Prysmian also renovated the Balabancık Village Primary School in Bursa where the company’s factory is located. Following the reopening ceremony in October 7, 2009; education in the school resumed. The project has enabled Balabancık Village’s students to be educated in their own village instead of commuting to another village.

Türk Prysmian provided the cable infrastructure and donated the cables for Istanbul Technical University’s Solar Car which participated in the World Solar Challenge in Australia - one of the most important races of its kind in the world. Istanbul Technical University’s Solar Car Team formed by mechanical, electrical and organizational subgroups that first got together in 2004 returned from the 4000k race with the “Best Newcomer Award”

Furthermore, Türk Prysmian donated some equipment to Yakacak Hatice Abbas Halim Kindergarten’s gym to contribute to the renovation process of the school in 2009, aiming to ensure that the children have the chance to exercise during their education.

Türk Prysmian and Mimar Sinan Fine Arts University reached a mutual agreement in late 2009 to carry out the second “Cable in My Life Art Workshop” which was first held in 2008. The purpose of the workshop which took place on April 7-14, 2010 with the participation of students from Mimar Sinan Fine Arts University was for the students to individually create unique pieces of art using different types of industrial cables as well as to provide contribution to education and arts. The art works created by the students were exhibited at Prysmian’s Mudanya factory from April 15 to May 21, at Mimar Sinan Fine Arts University from May 27 to June 11 and at Rahmi M. Koç Museum from July 13 to July 27.

In 2011, Türk Prysmian provided the cable infrastructure of “Sahne Hal”, the stages built by “Tiyatro Hal” with their own means. By donating the cables for “Sahne Hal” located in Mecidiyeköy, İstanbul, Türk Prysmian once again showed its regard for arts.

Türk Prysmian continued to support various educational institutions in 2012, namely Hatice İsmail Hakkı Kayan Primary School, İkbal-Betül-İhsan Çilingir Primary School, Ahmet Rüştü High School, and NOSAB Primary School.

Giving priority to the development of Mudanya region where the factory is located, Türk Prysmian, in collaboration with Mudanya Municipality, Mudanya Police Department, Mudanya Justice Department, Tirilye Youth and Sports Directorate, Mudanya Tuberculosis Control Association, and 911 Search and Rescue Association, carried out a number of projects in 2012 to ensure that the residents are better served.

Aside from the contributions provided to the residents in the region, Türk Prysmian has also continued to support its employees and donated 38 computers.

In 2013, Türk Prysmian, in “Fire Prevention Week” organized a visit with its employees’ children and students from Hatice İsmail Hakkı Kayan Elementary School. During the visits organized between 28th of September and 1st of October, the children while having fun, found the opportunity to learn useful information about the fire department. Also TL55,750 was donated to various institutions in 2013.

Türk Prysmian will continue to provide contribution to similar projects in the coming years.
